

**ANALYTICAL METHODS, INC.**

**EXPORT CONTROL LAWS COMPLIANCE FORM**

Under U.S. export control laws, the export of U.S.-origin technology, software or services to certain non-U.S. persons is deemed to be an export or re-export to the non-U.S. persons' home country or countries. The "deemed export" rule does not apply to technology transfers between and among U.S. citizens, persons lawfully admitted for U.S. permanent residence, persons granted U.S. asylum or refugee status, or temporary residents under the 1986 legalization program.

For Analytical Methods, Inc. to ensure compliance with U.S. export control laws, please answer the following questions:

1. Are you a U.S. citizen, a lawful permanent resident of the United States ("green card holder"), a U.S. asylee, a U.S. refugee, or an alien lawfully admitted for temporary residence under the 1986 legalization program?
